Electronic Press Kit The Future Of Electronic Press And Media

In today's high tech world of electronic media it is important to not only stand out, but stand apart from your competitors.

BCL Studios have been at the forefront of creating great electronic press and media kits for many years.

Our clients are vast and varied from all walks of the music, media, radio, TV and broadcast industries.

BCL have decided to branch out and offer these EPK Press & Media kits to all. Offering a new dynamic approach to the way you send your biography, CV and/or electronic media. Be it an individual, a band, singer or anyone who wants that professional approach and wants to take their career to the next level.

Gone are the days of paper based portfolios. The digital EPK delivers instant access with first generation text and images.

"You will only ever get one chance to make your first impression"

JOHN PARR - UK
Grammy nominated Singer/Songwriter/Producer
"The EPK is the future, and once again BCL are leading the field..."

GLENN FRENCH - USA
Singer/Songwriter

"This is great !! Now I totally understand. Your email explains everything so well. You definately made all this very well worth this small amount of money I gave you The different doors that can be opened with this EPK are endless..."

email us and discover a whole new dynamic approach to your electronic press.
